

To whom it may concern,

Since 2007, Polar Medical Services Inc. (Polar) has been the first aid contractor for several field exploration programs carried out by Serengeti Resources. On several jobs for Serengeti, Polar has supplied Level III OFA attendants and all the required first aid equipment, as well as a fully equipped ETV. First aid personal supplied by Polar have been well trained and professional, and the equipment has always been in excellent working order.

Sincerely,

Hugh Samson, Project Geologist,

Serengeti Resources Inc.
